[REDACTED]

Planning Application Reference No.: 3/2023/0093

Address of Development: Dutton Manor Mill
Clitheroe Road
Ribchester
PR3 2YT

Comments: I object to the notification of planning application ref: 3/2023/0093 with regards to the change of operational hours.

As a local resident I would be disappointed if the RBVC allowed this unit to be able to stretch its working hours. Please protect this conservational, residential rural part of the AONB. The original planning was granted inline with what the applicant asked for and I personally believe it should stay this way.

There has been enough disruption as it is and a stretch of working hours would make the impact of the site on the residents worse. There are a number of properties which are within a few meters of the business, the area is predominantly a retired area and we do not want to be disturbed at unreasonable hours.

The building has been built now which has already been a difficult change to adapt for many of us in the area I hope you protect what rules are left by leaving the working conditions on the premises.
