Dear Mr. W Hopcroft

I wish to object to the revised plans at the above site. I [REDACTED] which I bought in [REDACTED] We bought the [REDACTED] in good faith that the original plans for [REDACTED] would be adhered to. The building of 4 large detached houses and semi detached houses will severely impact on the privacy of numbers [REDACTED] Grimbledeston Close. I am also concerned about the effects on the environment and wildlife, we have many species of birds here which will be affected by too many houses. It is a rural area after all. I think that Tillia homes should fulfil the initial obligation for planning on these grounds.

Yours sincerely
