[REDACTED]

Planning Application Reference No.: 3/2023/0126

Address of Development: Bent House Longtons Lane Tosside BD23 4SU

Comments: [REDACTED] moved to Tosside because it is quiet, close community and a such a beautiful setting.

Since [REDACTED] Plantation, [REDACTED] is surrounded by nature and a warm welcoming community [REDACTED] is safe, knows well many of our neighbours and [REDACTED] recognises many of the other residents in the area. This is due to attending various events at the community hall and [REDACTED] interactions with [REDACTED] and their community involvements.

We fear [REDACTED] safety and innocence will be greatly affected by the plans at Bent House Longtons Lane Tosside BD23 4SU. We are disappointed for the owners that their holiday glamping business did not go to plan. However, we strongly oppose the premises to be used as a retreat for addicts.

As much as we commend their good will, this is too close [REDACTED] and [REDACTED]. We would not have [REDACTED] property or made a home here if this retreat was already in operation.

[REDACTED] spent my early years growing up [REDACTED] and knew by the age of three not to touch the needles on the floor. This is not what we want for [REDACTED] or any of the others living in Tosside.

We absolutely love our home. As mentioned, we are very involved with the local community and see [REDACTED] as where we plan to live for the rest of our lives. A holiday resort for ex or current addicts, so close to residential dwellings is frankly not acceptable.
