Dear Ribble Valley Borough Council,

I have recently been informed that a neighbour of mine has submitted plans to have building work carried out on his property.

Looking at the plans I can see that a lot of our views will be taken away. As this is a rural area the views are very important to us.

I have also been informed that a Wind Turbine is also on the plans, this is causing a great deal of concern as it would cause a great amount of noise. This could be very detrimental to health as it would affect our sleep and concentration and may cause other.

The address of the property is
6 Tintern Close
BB12 7SS

The application number is 0141
The grid ref is 376845 434258

Therefore I wish to object to the plans.

Kind regards
