To whom it may concern,

I reside at [REDACTED] I have recently been made aware of the planning application 3/2023/0152 'Highcroft' Painter Wood. I am writing to say that I strongly object to this application due to the location of the proposed development as I feel it would cause great loss of light and privacy to my home, I am also aware that what starts off as a small dwelling can lead to larger projects.

I also have major concerns about the land that this property is intended to be built on, would the land take the weight of this construction? As it may lead to damage [REDACTED]
[REDACTED]

Finally, we have had major issues over the past few years after the new builds with drainage and water pouring down Painter Wood causing a fair amount of flooding and disruption again would this matter be looked at.

Thank you for taking my points into consideration and I would be grateful if you could update me on any progress.

Kind Regards
