Good afternoon,

The Parish Council has no objections to this application, however one of the roles of the PC is to support the residents of the parish if they have valid reasons to oppose a planning application., valid being the key point.

Whilst we appreciate that the planning officer will have more knowledge of the planning rules than we have could planning please agree that the points raised by the residents are taken into full consideration in the decision-making process

kind regards Rachel

Clerk to Billington and Langho Parish Council
