Attention of Ben Taylor.

Dear Ben,

I am 100 % in favour of this planning application from [REDACTED] The Swan with Two Necks. It will enhance the offering from the public house/restaurant and will ensure the viability of the establishment- our only non agricultural business in the village.

It is a well run and well established business and has won several awards including best pub of Britain. Last night it won the Ribble Valley Business Awards in the family run category at an event supported by the Local Authority.

I am happy to answer any further questions on [REDACTED]

Yours truly,
