3/2023/0165 -Proposed temporary construction access and haul route and associated works and will be used specifically for construction of the flood compensation scheme. at Land at Neddy Lane Billington

Wilpshire Parish Council objects to this proposal as it believes that it would cause a risk to road safety from slow moving heavily laden HGV's entering onto a fast stretch of the A59, and the potential for mud on the road which would also be a hazard to highway safety for road users.

Kind regards

Lesley Lund Clerk to Wilpshire Parish Council
