Hi,
As per my previous email we're also [REDACTED] re the heat pumps. They've been removed from the [REDACTED]
[REDACTED] The pumps are noisy and run 24/7. Why do we have to be expected to tolerate this intrusion by noise [REDACTED] Again double standards in the way [REDACTED] being treated. We are of the opinion this is based on [REDACTED]
Regards

Hi,
Please take this email as continued objections to the latest set of drawings. They still do not take [REDACTED] into consideration. The hot tins are still in place at the two lodges [REDACTED]. Their [REDACTED] has been restored by removing hot tins from the lodges at the [REDACTED] large fence installed. [REDACTED] to be given the same consideration and not to be discriminated against.
