Dear sir/madam,  
I wish to object to the above planning application on the basis of a safety concern.  
Ribchester Rd is designated a 30mph area, however as highlighted at several meetings of Clayton le Dale parish Council, serious concerns have been raised about the speed of traffic on this road and SPID cameras are soon to be installed. The proposed development is approx 10/20 meters from the brow of a hill, also there is no public footpath on that section of road adjacent to the plot in question , therefore I have concerns about access onto Ribchester Rd.  
Please consider this when you make your decision.  
Thank you
