I OBJECT TO 21 BRIGHT ST PLAN. I USE IT TO GET TO THE BACK ROAD. I SOME TIMES LITTER PICK THE BACK ROAD. I ALSO DO THE SIDE ACCESS ROAD TO IT, WHICH THEY PLAN TO BUILD ON. WITH THE AMOUNT OF LITTER I PICK UP OFF THE ACCESS ROAD MANY PEOPLE MUST USE IT. I HAVE NOTICED SINCE THE PLAN APPEARED IN NEWS PAPER, THEY HAVE STOPPED PARKING ONE OF THERE CARS THERE.

Dear Sirs

I write with reference to a Public Notice in the Clitheroe Advertiser and Times dated 9th February 2023.

It is a notice under Article 11 of Application for Planning Permission. The proposed development is at No 21, Bright St. Clitheroe BB7 1NW.

The aforementioned notice states that the land in question is 'vacant'.

I would beg to differ! As you can clearly see in the enclosed documents this land has always been an access 'back' and is the only route to the rear of our property [redacted] out which we use for maintenance of a large privet hedge and also some trees. It is also used frequently as access for [redacted] as well as anyone else on the street. Indeed our neighbours at [redacted] use it for deliveries of fuel etc. In addition it is the route that the emergency service would use if ever needed. All in all it is a very well trod passageway which is used by anyone who cares to use it. With all this in mind we would like to register our opposition to any planning permission on this land.

REGARDING PLANNING PERMISSION FOR
21 BRIGHT ST EXTENSION.

I HAVE LIVED AT [REDACTED] BRIGHT ST FOR [REDACTED] YEARS.
I HAVE USED THE PATH BETWEEN 21 & 23
BRIGHT ST ALMOST DAILY WITHOUT ANY PROBLEMS
AT ALL. I USE THAT PATH TO GAIN ACCESS TO
PRUNE THE TREES IN MY BACK GARDEN.
BY ALL ACCOUNTS THE OWNERS OF 21 BRIGHT
ST WISH TO BUILD A 2 STOREY EXT & PUT
A FENCE AT EITHER END TO MAKE IT PRIVATE
& PREVENT ACCESS TO THE PUBLIC.
SURELY IF PEOPLE HAVING BEEN USING THE
PATH FOR 50 YRS IT BECOMES A PUBLIC
ACCESS PATH.

LOOK FORWARD
TO YOUR REPLY.
