Planning Application Reference No.: 3/2023/0378

Address of Development: Pendle Mill, Pendle Road, Clitheroe

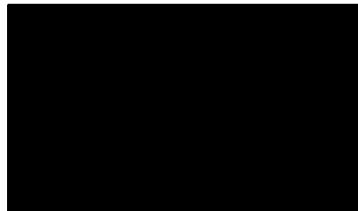

Comments: I oppose the construction of the planned nursing home. Given the level of building in the area, the infrastructure cannot cope with the level of traffic a nursing home will command. Frequent family/visitors will cause a lot of traffic to an already congested area. I, also oppose the losing of green land in the plans. The trees will be lost. Residents views will be of a non discript building. I am most unhappy with the plans. There is already one nursing home on the same road and another close by on the main road. How many nursing homes are needed in Clitheroe? Residents have not been informed of these plans until now, which is quite poor.

To whom it may concern:

I would like to know:

① If they know there are
BATS in this building or
have they had them removed?

② Also did or does Pendle
Mill have a preservation
order or conservation
order on certain parts
of the buildings?
