Architectural elevation drawing of a house. The house features a gabled roof with a chimney on the right side. The front facade includes a large, multi-paned window above a covered porch area, and a smaller dormer window on the right side of the roof. The drawing is labeled with 'L' at the bottom left and right corners, and '12000' in the center bottom.

[illegible]

This is a detailed architectural floor plan of a house. The overall dimensions are 12,000 units wide and 5,000 units deep. The plan includes the following rooms and features:

- Sitting Room:** Located at the front left, containing a sofa, a coffee table, and a TV.
- Utility Room:** Adjacent to the sitting room, featuring a stove and a sink.
- Kitchen:** Located at the back right, featuring a large island.
- Pantry:** Adjacent to the kitchen.
- Store Room:** Adjacent to the pantry.
- Hall:** A central hallway with stairs leading 'Up' and 'Down'.
- Single Garage (60sqm):** A large garage attached to the side of the house.
- Lounge:** Located at the front right, featuring a large fireplace and a TV.
- WC:** A toilet located near the garage.

The plan also shows various doors, windows, and built-in furniture like bookshelves and a radiator.
