Planning Application No: 3/2023/0509

Grid Ref: 364961 444953

Proposal: Change of use of land to erect a further five holiday lodges and four camping pods.

Location: Bowland Wild Boar Park Wardsley Road Chipping PR3 2QT

Comments received regarding the above application from Bowland with Leagram councillor :-

I can see they are using existing road access and its not expected to have any visual impact.

My only comment is about signage at the location and the surrounding area. There are a lot of temporary signs for the current lodges all over the valley which are an eyesore and im not sure what we can do about that.

Verbal comments received also concurred about the numerous signage now posted around the valley for the Wild Boar Park and the increase in traffic given the current state of the roads to and from the park.

many thanks
