I feel I must object to the application to turn the premises on number 10 bridge road to a commercial business due to the parking problems, which is already getting dangerous.

Application No 3/2023/0543.

The only problem to this application that I can see is the parking for drop off and pick up of the clients dogs, it is already very congested on Bridge Road. We are the only village with any shops, so all the villages around use them, parking is at a premium already.
