Planning Application Reference No.: 3/2023/0547

Address of Development: Rossendale House, York Street, Clitheroe, BB72DL

Comments: This proposal would add to the already stretched on street parking at the bottom end of York Street. [REDACTED] requires parking for customers who are visiting [REDACTED] Currently parking by residents outside [REDACTED] means that there are very rarely parking spots available for [REDACTED] many of [REDACTED] long way. In addition we have [REDACTED] arriving [REDACTED] and [REDACTED] Rossendale house has no parking available on site or in front of the premises, which means that more resident parking would be occupying the small number of spaces available. This change would have a major impact [REDACTED] unless the parking directly [REDACTED] is designated a short stay zone (i.e. 30 minutes) and no resident parking allowed.
