**Comments:** I fully support the applicant. I believe that the project is appropriate in scale and ambition. I believe that any home owner should be allowed to improve their home as they wish within the bounds of reasonableness. There is no way I am going to stop a [REDACTED] from improving their home. I support the application and would hope that Ribble Valley do too. There is a cost of living crisis at the moment so I would as also urge the council not to be too demanding in terms of materials either. [REDACTED]
