Planning Application No. 3/2023/0035

Dear Sir,

I am writing regarding the above application. Removal of a section of Boundary wall north of Primrose House

[REDACTED]

and if The Planning Consent goes ahead we will be posing at least one parking space and one visitor parking space. Possibly more if the access goes through. With this in mind I can't agree to for permission to go ahead on this planning Application to go ahead

Yours faithfully
