**Planning Application Reference No.:** 3/2023/0652

**Address of Development:** 5 Brookes Lane  
bb7 9rg

**Comments:** The fence creates 2 blind spots - 1 each for 3 and 5 Brookes Lane. Small children, therefore, cannot be seen by vehicles emerging from these properties. The lane is popular for access to the countryside - used by families and dog walkers. I always thought that fences joining a road/highway should be less than 1 metre for this purpose ?
