Hi Emily

Sorry [REDACTED] and was told today that OBJECTIONS should have been in by the 26th October.

We as a [REDACTED] I will STRONGLY OBJECT to this planning application as this is a recreation area for all to enjoy as there are no public foot paths and there is only one way in and out on foot or in the car form The Rydings / The Dales for some people and a close one too , over the past couple of years due to Covid 19 this area has been a god send for and a massive help for there MENTAL HEALTH , building theses then what next section it off , and restrict people even more its defiantly not going to help ,

This area is a RECREATION AREA for all to enjoy not for sole use of a football club that can't keep it tidy as it.

I understand it's a late response due [REDACTED] but feel free to call me on [REDACTED]
