3/2023/0664 construction of 2 dugout shelter buildings to replace the existing temporary shelters at Langho Sports and Social Club Dewhurst Road Langho

------Wilpshire Parish Council object to this application.

The Council believe WPC were involved in the establishment of the recreation ground when Langho Colony was sold off and RVBC are now the owners and the football club rent out the ground but the land remains available for use for recreation by the whole community.

WPC object to the proposal for construction of 2 dugout shelter buildings to replace the existing temporary shelters at Langho Sports and Social Club on the grounds that this proposal to build permanent structures is not in keeping with the original covenants and that only structures which can be removed easily should be installed in case the football club be disbanded at a future date.

kind regards

Lesley Lund Clerk to the Council
