Dear Ben Taylor

Re: planning permission application for the property: 66 & 66A whalley road, clitheroe, BB7 1EE

I the undersigned write to make a formal 'objection' to the aforementioned proposal for planning permission.

Reasons are as follows:

- there are already too many takeaways
- will exacerbate current parking and traffic issues
- cost of living rises are affecting sales and allowing additional competition will make things worse and may cause existing businesses to cease trading altogether.

I hope you take into consideration the above mentioned points and I trust you will make correct decision
