Dear Ms Hopkins,

Application no. 3/2023/0690. Discharge of condition requiring archaeological building recording of buildings on permission 3/2022/0777. Teewood Farm barns, Slaidburn Road, Waddington.

The Written Scheme of Investigation submitted is appropriate for the owrls we advised should be carried out to record the buildings at Teewood Farm prior to their conversion.

In line with our usual advice in similar circumstances we would advise retaining the condition until the reports off the recording works have been submitted and approved.

If this raises any queries, please get in touch again.

Yours sincerely
