Hello.

I would like to oppose the planning at 1 Lower Lane Longridge PR33SL

I feel the application will increase traffic levels too much and there are no parking facilities at the location so all the cars will park on the road and it can be a bad bend.

This area is a quite residential area with no other bars in the area and it will have a negative impact on the character of the area and will also cause disruption to residents.

This application is also within the quiet conservation area of St Lawrence's Church.

Many thanks

**Address of Development:** 1 Lower lane, Longridge, PR3 3SL

**Comments:** I fully support the application. DMD design is a beautiful, stunning and unique furnishing shop which supports local designers and artists. It has a welcoming and friendly ambience created by the owner and wonderful staff. It is a fantastic place to go for a drink with enjoyable occasional light, not loud, entertainment provided by local talented musicians/singers. There is also a notable community and wellness factor, providing a safe and friendly place for people to socialise away from the busier and louder pubs and bars in Longridge. I feel the opening and closing hours proposed are entirely reasonable and in the past strictly adhered to by owner and staff giving respect to local residents.

**Comments:** I have visited DMD design. I had a wonderful afternoon, shopping, listening to the chilled out musician and enjoying a lovely drink.

The concept is amazing and really enhances the shopping experience. To evolve as a small business is essential in a time where we see many of our high street retailers closing down. I fully support this application for mixed use.

**Comments:** [REDACTED] but absolutely love visiting DMD because the atmosphere and concept is unmatched. DMD offers the ability to be able to shop, have a drink and meet friends and family in a unique environment offering a second to none experience. The chilled affairs of music afternoons are well loved by myself and many others and offers the opportunity for people to get together. I believe this has become a focal point to the sense of community that Longridge desires. Noise has never been an issue with these low key events as the closure is 5pm sharp.

Lower lane  
Longridge

**Comments:** Lovely shop and nice little bar, great concept, DMD is an asset to the Lower Lane community and to a Longridge, just what Longridge needs in these difficult times when so many small businesses are closing down. It would be a great shame to force such a lovely place to go out of business.

**Comments** [REDACTED] have often visited this shop to browse the beautiful goods on offer. It is a very classy shop and a credit to the owner. We particularly loved the relaxed atmosphere when the solo guitarist was performing in the afternoon.  
A real asset to Longridge.

**Comments:** DMD Designs is a beautiful little shop and bar located on Lower lane. It is a nice hub for the community to meet and socialise [REDACTED] and I have never heard too much noise coming from the premises, even when there has been entertainment on. I also think the opening hours are very considerate for the area and are just right. I believe that DMD Designs is a real asset to Longridge and our community.

**Comments:** Little Gem of a place and sorely missed, loved browsing and buying whilst having a glass of Fizz, was also a fabulous meeting place for a few of the girls before heading into Longridge for further drinks or a meal. Beautifully presented shop, the occasional singers on a Sunday afternoon was a fabulous idea and certainly brought the local community together. I am in full support of this application
