Comments: Ms Despard has created a truly unique space. One where everyone is made to feel welcome and that brings the community together. If she is no longer allowed to trade it will be a very sad day for the residents of Longridge.

I truly hope that you will look favourably on the application.

Kind regards

Comments: DMD Design is truly an asset to Longridge and its community. A beautiful place to visit for browsing, shopping and a place to meet for a quiet drink and/or socialise and feel part of a wonderful community. Always a warm, welcoming and relaxing feel that has been, and, is still much needed in the tough times that this country and has been through of late.

Comments: This business DMD is an absolute must for the residents of Longridge bringing a beautiful pleasant experience for shoppers. To have a license is a added bonus without the inconvenience of late night disturbances and giving consideration to residents close by closing at 8pm. It is a pleasure to visit a unique shop, from which i have made many purchases, with relaxing music and a glass of wine if you so wish to. It would be very sad for Longridge to lose this wonderful shopping experience.

Comments: [REDACTED] We support the local shop for mixed use! We have often visited after a walk purchasing some of the beautiful items dnd has to offer and an enjoyed a relaxing drink whilst doing so. It reminds me of a luxury selfridges shopping style experience but in our beautiful town. As a local resident I do not feel that parking is an issue at dmd design, if anything the parking is more problematic during the church services often parking on the blind bend.

Comments: I would like to strongly recommend that the council's decision is a positive one to re-open the bar at DMD Design. [REDACTED] Diane [REDACTED] and she is nothing but professional through and through and has created a Gem in our local community . DMD is more than an exquisite shopping experience but a very special place where you can go and unwind and relax and meet with friends old and new and family . in a very relaxed environment. This is more prevalent and important since Covid , where we had to stay in , not able to meet family and friends and had a huge impact on people's mental health. The fact that Diane closes at 8pm and 5pm on Sunday is excellent as people can then go home or go elsewhere for late drinking. The clientele respect the hours and enjoy a quality beverage in a fabulous place. Most people in the community are able to walk there and have the added bonus of being able to purchase fabulous items at the same time .Diane is a perfectionist with an eye for quality and detail and wants to share her passion with the local community of Longridge .

Comments: I thoroughly support the planning application for DMD design. This beautiful shop is a credit not only to the owner but also to Longridge. It provides a beautiful meeting place for friends and family who can enjoy a drink whilst shopping or just enjoying a quiet catch up. The bar is an asset and has been missed so much these past weeks. Ms Despard has the community's interests at heart and provides and has provided some of the of the best establishments in Longridge. In this present climate businesses should be encouraged especially when they are hardworking and only want the best for the Longridge community and the surrounding area. I strongly recommend that RVBC should grant Ms Despard's application and give Longridge back its little hidden gem

Comments: This application has my full support. It presents a most valuable asset for the area and offers a very high quality and valuable oasis for local residents - the world is in a mess and something as beautiful and genuine as this, is tantamount to being a necessity!!
