Comments:

[REDACTED] DMD. For me, DMD symbolises community: it has been my special meeting place for a few years now. I have made friends, celebrated various achievements and milestones, and created some amazing memories to look back on.

DMD have always been respectful to the community, their hours are social (opening at 12pm and closing at 8pm Wednesday-Saturday and 5pm on a Sunday) and they have always endeavoured to be cautious of noise and their surroundings. They have supported various local causes and charities, bringing people together from all walks of life to talk over a drink or two.

Now these people have nowhere to go, nowhere to meet and have a smile or laugh after a tough week; you haven't just closed down a drinking spot, but a community hub and a happy place for many.

Candidly, there have never been any issues with DMD, and I cannot understand how anyone would disagree.

I strongly support this application.

Comments: I frequently visit the Ribble Valley area, and really enjoy the sense of community that DMD provides. Even though I am not a local, I feel as though the shop has enabled me to build connections within Longridge village

Diane and her staff enforce strict rules on opening times, which are never at anti-social times, and from my experience ensure that all patrons are respectful of neighbours, and the local community.

I particular enjoy how not only DMD is a hub for the local community, but has hosted events supporting charities and has raised funds for local projects.

Comments: I fully support DMDs application, to change its licensing application. Under the previous licence we have attended DMD numerous times and they have been 100% respectfully of the surrounding residents. In my opinion as a [REDACTED] this establishment adds go our neighbourhood and is a credit to the owner with how it's run.

Comments: We full support DMD application. This little bar has been a support local network for us whilst we have been [REDACTED] through a particularly difficult time. The landlady has been exceptionally supportive of our situation when we have had an hour or so free time. The closure of this bar has been a real loss to us. Our community around this little residential area is really close and we are grateful for this opportunity to get together. We beg you to keep this bar open.

Comments: Why would I support the application for Miss Despard's interior design shop?

The answer is easy. It's because

it is such a beautiful place, that is tastefully decorated and has a lovely, calm, and friendly atmosphere. Whist shopping in the interior design shop, you can also have a glass of wine, which makes for a lovely experience. It's such a bonus to have somewhere like this to go to in Longridge.

Comments: DMD has been a much needed & loved part of our community for a number of years now. Not just a shop, selling beautiful products, but a warm and safe place to go to meet up with friends, old and new. I personally, am missing going there and believe there isn't anywhere else offering the same facility, certainly not local to Longridge.

DMD is a haven, I can walk there alone and not feel intimidated or out of place, have a chat, a browse and a quiet drink.

Please allow this special place to continue offering so much to so many.

Comments: This establishment is not a nuisance in any shape or form to the local neighbours. Every time I have been to DMD it has been a lovely, tranquil atmosphere. [REDACTED] has sung on a Sunday afternoon and the volume levels cannot be heard from outside DMD.
There are no parking issues as majority of people are from the lower lane area and are come on foot.

I've had many times in DMD and meeting new friends and many new friends that are in the Lower Lane community.
It has been a wonderful hub for our little community.

[REDACTED] Diane the landlady is so respectful of our neighbours and she is explicit about closing town. To be fair the harassment she has encountered from [REDACTED] that I've seen is absolutely unbelievable and unnecessary! This is a little community gathering that is very respectful of its neighbours

Comments: We have been visiting Dmd for years and shopped there many times. We have enjoyed so many occasions there with friends and people from the local community. It is a very classy place with a great ambience. We have met so many new people from the area. People are friendly and conduct themselves well. We liked it so much we held a small gathering there for [REDACTED] The clientele are generally older and the store is not open late so is very different to other places in the centre of Longridge. We were very sad to hear this had been stopped and hope it returns soon.

Comments: I believe that this development will enhance the area , and will be completed in a tasteful manner , whilst adhering to any restrictions that maybe put in place .
It's important to note an alcohol licence was in place for many years prior to closure . The addition of this type of business can only benefit the wider community of Longridge whilst causing minimum disruption
