Comments: I write in support of the above stated application. Having returned to live in the Ribble Valley a couple of years ago, we came upon DMD when looking for soft furnishings for our house. The shop is beautiful and a real asset to Longridge and the wider Ribble Valley. Being local, we were also delighted to find a place that we could drop in for a quiet drink and quickly began to meet our neighbours and make new friends, as Diane makes everyone so welcome. We have really missed meeting up with members of the Lower Lane community over recent weeks and we sincerely hope that this application is successful in order that DMD can once again provide an important social amenity, that means so much to many of us. It really is a 'Happy Place' for us and many other people.

Yours Sincerely

Comments: I totally support the application. DMD provides more than just a shop but a local hub for the community. A friendly safe calm ambience where you can browse the selection of products on sale and enjoy a quiet drink with local people. A shame that small business and local entrepreneurs are not supported.
