Comments: I fully support Diane's application.

We, in Longridge, are so lucky to have an elegant, upmarket Interior Design company (DMD Designs), together with an equally elegant, charming and friendly wine bar - all just down the road.

The beauty is that it's close to all of us who want to browse the lovely showroom and enjoy a glass of wine with all the similar-minded (read 'mature') locals and friends.

She, without trying, has helped so many lonely or bereaved people to regain confidence or make new friends by being able to pop in for a glass of wine and be welcomed by a friendly face.

I travel along Lower Lane frequently and have never had a problem with 'parked cars' outside or near DMD - the only place the problem does occur is with church attendance (fully understandable) and by the School.

Please do not allow another small business in Longridge to fail. We are a solid community and only have the village's best interests at heart.

Thank you
Yours faithfully

Comments: [REDACTED] I love visiting this lovely shop and it's even more special to be able to browse and have a quiet drink whilst there.

I really do hope that permission is approved for this to continue. It's a wonderful addition to Longridge.
