Comments: This lovely bar run by [REDACTED] is a great venue for Longridge , you have the opportunity to shop and have a quiet drink at the same time it's unique , sometimes she has a live singer and it's so nice it closes on time by 8 so no noise or trouble is caused - perhaps who ever makes the decision should come to the shop themselves and see how lovely it is - hope [REDACTED] can carry on as it is a great Venue for Longridge x

Comments: This application should be supported as a small business serving the community. The property is well looked after and tastefully decorated. During the time the business had already been running we never saw anything untoward happening there and although we don't go very often, we have enjoyed several events there. The applicant lives [REDACTED] and should be supported in her venture.

Comments: I am writing in support of the application for DMD Design of Longridge.

I am a [REDACTED]

For the past [REDACTED] years I have enjoyed going to DMD Design...spending time looking at the beautiful items on sale; having a chat with others; having a glass of Prosecco, and when there is a singer, enjoying listening to them.....taking myself back to younger days.....The shop was not just a shop, but a little community hub, and it was only open until 5pm on Sundays, and 8pm. during the week.....which suited me fine as I am not one to stay out late.....Currently I am very saddened that this is no longer an option for me....It was a time I enjoyed very much, and sadly miss.....There was such a calm and supportive environment; no rowdiness or disorder, and it gave me the chance to get out and spend time with other people; feeling safe, relaxed and supported....Please do not deny this application...as it has meant so much to myself and others like me to be able to join in the community atmosphere. Thank you.

Comments: This is a very well run establishment with respectable clientele. Previously it was run with a bar licence and I can see no reason why this should not be the case again.

Comments: This premises is [REDACTED] I support the application the owner is making. I go to the shop and I have also had drinks there. It is a friendly, community oriented place. It is well managed and shuts at 8. It does not cause any environmental issues for our household.
