Comments: DMD INTERIORS is an amazing shop and bar. Beautiful interior ideas and furnishings with the added bonus of a quiet relaxing bar where you can meet and catch up with friends. It's a great addition to our lovely village and has been missed these last few months.

Comments: I am writing in support of DMD Design's planning application...Although I live [REDACTED] lives in Longridge....Whenever I could I had been collecting [REDACTED] and taking [REDACTED] to enjoy a pleasant afternoon on Sunday.....where [REDACTED] very much relaxed and enjoyed browsing all the beautiful items for sale, and having a little glass of Prosecco....On the days when there was a very beautiful singer, [REDACTED] was so happy listening to the songs that took [REDACTED] down memory lane....I feel so sad when [REDACTED] keeps asking me "Are we going to DMD shop, and will the singer be there?".....I have to say that the atmosphere, and togetherness on those days were so lovely.....Seeing people just relaxing in the beautiful surroundings, and having a chat.....such a lovely community feel.....I feel so sad that I am no longer able [REDACTED] to enjoy this.... [REDACTED] created a truly wonderful environment, and has always been so kind with [REDACTED]. I do not understand why they can no longer do this.....It was not rowdy, or loud... [REDACTED] was able to meet up with people from [REDACTED] past and enjoy reminiscing.....My [REDACTED] and myself are very much in support of the shop, and do hope the application is successful.....Please take into consideration the joy that was brought to the community that were fortunate enough to enjoy the afternoon...in a safe and pleasant environment...with kind and supportive people.....Thank you, on behalf of my [REDACTED] who has lived life in Longridge [REDACTED] and now [REDACTED] and myself...I was [REDACTED] in Longridge, and since moving [REDACTED] continue to come up [REDACTED] to take [REDACTED] out. And for the past [REDACTED] years, was usually [REDACTED] chosen place to go, which [REDACTED] is sadly now missing very much.

Comments: We moved to Longridge [REDACTED] and DMD was both a source of excellent furnishings but also an invaluable way of meeting new friends. We have been very fortunate to have met many local people as a direct result of visiting DMD . [REDACTED] is a really ' can do ' person and a superb benefit to the local community. DMD is well run and she shows great concern for the local residents by sticking to reasonable opening times and controlling noise levels . I strongly support her spplication .

Comments: We moved to [REDACTED] during [REDACTED] was very restricted. When this was relaxed we were introduced to [REDACTED] and her interior design business, DMD. This was invaluable to us [REDACTED] because we were not only able to purchase beautiful items for our [REDACTED] from her, but also met members of the local community in a warm and friendly environment and who have now become friends. [REDACTED] was always fastidious about her opening and closing times and to our knowledge there was never any evidence of excessive noise or bad behaviour on the part of her customers attending the bar. [REDACTED] does a huge amount for the community and DMD plays a very important part in keeping community together. I am in full support of her planning application.

Comments: Calnt believe I'm writing this!! This lovely , safe shop/bar is a pleasure and a credit to the single lady that works her heart out to give so much back to all her customers. Its a place for socialising amongst the community young and old. Credit to the lady the bar is always shut around 8pm. I'm sure most of the community have been lost without a place like this for last 2 months, and the shutdown i can't imagine what this is doing to the lady owner. This wants dealing with immediately..

Comments: In relation to 3/2023/0707 - DMD Design - I would like to support this application, in that my experience of the venue is something that is quite unique and a delight to visit. I am proud to say that [REDACTED] at DMD Design - the whole experience was enjoyed not only by myself but all of my guests, equally so by my mother [REDACTED]. [REDACTED] of DMD Design has created a extremely friendly and welcoming atmosphere within her property. Uniting the bar within the retail element, provides a relaxed and enjoyable surroundings for guests, shopper or visitors to browse or just enjoy the beautiful surroundings displaying [REDACTED] inspired collection of the most wonderful home interior items and everchanging seasonal accessories. I as a [REDACTED] feel that the concept that [REDACTED] has created is unparalleled and an asset to the town of Longridge. Finally, I am aware that there are strict closing times attached to the property and from my experience and knowledge [REDACTED] always adheres to these set times.

Comments: I really enjoy visiting this shop with [REDACTED] elderly, can't walk far and it's great to be able to browse then relax and have a drink. We need more of these enterprises in the area. The shop sells unusual items and it would be a shame to lose this thriving business.

Comments: I write to object to the planning application for the following reasons;

- 1). Since its opening DMD Designs has been predominantly used as a bar and not for shopping.
- 2). There is inadequate off street parking available. On a Friday and Saturday evening, vehicles are parked along Lower Lane, obstructing the view on a blind bend and making it difficult for residents to pull out of their driveways.
- 3). Loud music can be heard from the premises causing a noise disturbance for residents living within close proximity.
- 4). Customers consuming alcohol are often spilling out of the venue onto the pavement causing an obstruction.

Comments: I would like to give my full support for [REDACTED] planning application for mixed building used. [REDACTED] can honestly say that DMD is an asset to the town and her business has become the jewel in the area that the village needed.
DMD is the most beautifully manicured premises that is an Aladdin's cave of eclectic homewear, glassware, seasonal gifts and more.
[REDACTED] has a passion for customer service and has created a unique concept that gives a truly unique shopping experience and a community hub. Herself and her staff are conscientious in their work and providing a beautiful space for shoppers and friends, always kind and friendly and welcoming whilst always fastidious about running a tight ship and trading within their open hours.
Longridge would benefit from more business like DMD

Comments: I support the application for the retail/bar/occupational dwelling use at this address. It is a lovely addition to the town and a place for both locals and visitors to enjoy. I feel that particular side of Longridge is in need of such an establishment.
