Subject: Planning Pewter House Farm

Good afternoon [REDACTED]

Further to our conversation regarding the proposed development and improvements you are wanting to carry out at Pewter House Farm, I can confirm that

I am happy to cut the tree, located approximately half distance from my property and the end of Carr Lane (Commons Lane Junction) The tree is located on my land and opposite a similar sized tree. This will improve the safety of the Lane for all users.

I also confirm that I am willing to reduce the over hang of the stable roof at the end nearest to my property, this will ensure that vehicular movement is safer and easier for all stakeholders

best regards

[REDACTED]
