I refer to above application off Elker Lane Billington
My main concern is the traffic volume which would
Be considerably increased .
I understand that at the time of the last application
It was done when St Augutines school was on holiday.
Obviously this survey should be done on a school day
When the pupils are leaving to see the full effect of the
Chaos that already exists .
In addition the school has had an extension resulting in
Further 250 pupils with more to follow .

The access to the development would be on the at present
Unadopted road to Elker Meadows.
Indeed on some occasions we are unable to get to
[REDACTED].due to parents parking on the slip road.
No doubt you will already be aware of a schoolgirl
[REDACTED]

Knocked down outside the school which resulted in a
Meeting involving the police and some local and county
councillors.

Yours Truly
