**Planning Application Reference No.:** 3/2023/0780

**Address of Development:** 10 Bridge Rd, Chatburn

**Comments:** I have been resident in Chatburn for around [REDACTED] and [REDACTED] the dog grooming salon for [REDACTED] due to it being local.

I cannot see any issue with the planning proposal. It would be on a row with other businesses. Parking has never been an issue when using the hairdresser, chinese, pub etc, and indeed residents can walk if they are close.

I have never been aware of any noise emitting from the existing grooming salon from equipment, customers or dogs an any of the visits I have made. I would not have an issue if I lived adjacent or close to this type of business.

A waiting area would be a welcome addition even though you are generally in and out when dropping off and collecting.

I hope this application can be approved.
