Location:	Stanley House Preston New Road Mellor BB2 7NP

The Lead Local Flood Authority is a statutory consultee for major developments with surface water drainage, under the Town and Country Planning (Development Management Procedure) (England) Order 2015. It is in this capacity this response is compiled.

Comments provided in this representation, including conditions, are advisory and it is the decision of the Local Planning Authority whether any such recommendations are acted upon. The comments given have been composed based on the extent of the knowledge of the Lead Local Flood Authority and information provided with the application at the time of this response.

Lead Local Flood Authority Position

The Lead Local Flood Authority wishes to **withdraw its objection** to the above application as further information has been made available. The above application will be acceptable subject to the inclusion of the below condition, in consultation with the Lead Local Flood Authority.

Condition 1 – Development is in accordance with the submitted Surface Water Sustainable Drainage Strategy

The development permitted by this planning permission shall be carried out in accordance with the principles set out within the surface water sustainable drainage strategy (21st January 2025 / Drainage Strategy Report – Revision 1 / iSTRUCT Consultants).

Lancashire County Council

PO Box 100, County Hall, Preston, PR1 0LD

The measures shall be fully implemented prior to the first use of the development and in accordance with the timing / phasing arrangements embodied within the scheme, or within any other period as may subsequently be agreed, in writing, by the Local Planning Authority.

Reason

To ensure satisfactory sustainable drainage facilities are provided to serve the site in accordance with Paragraphs 181 and 182 of the National Planning Policy Framework, Planning Practice Guidance and Defra Technical Standards for Sustainable Drainage Systems.

Lead Local Flood Authority – General Advice

The Lead Local Flood Authority's general advice is provided through the [Lancashire SuDS Pro-forma and accompanying guidance](#). All applications for major development are expected to follow this guidance and submit a completed SuDS pro-forma.

What this response DOES NOT cover

This response does not cover highway drainage, matters pertaining to highway adoption (s38 Highways Act 1980) and/or off-site highway works (s278 Highways Act 1980). Should the applicant intend to install any sustainable drainage systems under or within close proximity to a public road network (existing or proposed), then they would need to separately discuss the use and suitability of those systems with the relevant highway authority.

The applicant is encouraged to discuss the suitability of any overland flow routes and/or flood water exceedance with the relevant highway authority should they have the potential to impact the public highway network and/or public highway drainage infrastructure (either existing or proposed).

Material Changes or Additional Information to this Planning Application

If there are any material changes to the submitted information or additional information provided after this Lead Local Flood Authority response to the Local Planning Authority which impact surface water, the Local Planning Authority is advised to re-consult the Lead Local Flood Authority. Please be aware this will be classed as a re-consultation with a full 21-day response time. Re-consultations should be sent to our identified mailbox.

Please note that should the Local Planning Authority make a decision on this application contrary to our advice, then we will be unable to support this application in an appeal or at any future discharge of conditions stage relating to conditions that the Lead Local Flood Authority have not recommended.

Please send a copy of the decision notice to our identified mailbox.

Yours faithfully,

Harry McGaghey

Lead Local Flood Authority
