Hi Kathryn,

Yes, I did see that the glass door now opens inward. My main concern remains the intrusive 3 metre lights in the back. It will [REDACTED] negatively, as well as being intrusive in the short term. I also am concerned about any damage that may occur [REDACTED] I am given to understand that the cobblestones are to be lifted and possibly relaid. I don't see a mention of that on the plan.

Thank you for your attention to this matter.
