I was informed via email of the requirement to obtain planning permission for the external flue due to restrictions imposed as part of the original planning permission for the new build development on which our house sits. "It includes condition 14 which removes the permitted development rights to make alterations or extensions without planning permission. Therefore, you would have to apply for planning permission to carry out the works."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
