1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: Required to be imposed by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Unless explicitly required by condition within this consent, the development hereby permitted shall be carried out in complete accordance with the proposals as detailed on drawings:

Location Plan, Proposed Elevations and Proposed Roof Plan drawing ref: 013

Amended Proposed Plans and Elevations drawing ref: 012 A

Reason: For the avoidance of doubt and to clarify which plans are relevant to the consent hereby approved.

3. The materials to be used on the external surfaces of the development shall match those indicated on the submitted Application Form and other than the replacement of existing windows and the proposed windows and doors, which shall be timber and painted in colour 'RAL 120 85 05', shall match those used for the existing building.

Reason: In order that the Local Planning Authority may ensure that the materials to be used are appropriate to the locality and respond positively to the inherent character of the area, in accordance with Key Statement EN2 of the Ribble Valley Core Strategy and Policies DMG1, DMG2 and DMH5 of the Ribble Valley Core Strategy.

4. Prior to the commencement of development, a Greenwoods Ecohabitats Two Chamber Bat Box or Kent Bat Box as recommended within the submitted Bat Survey Report and Method Statement by Dave Anderson dated 03.12.2024 shall be installed within the site and shall remain in perpetuity. The development shall be carried out in strict accordance with the Precautionary Method Statement and Reasonable Avoidance Measures outlined in this report and the approved details.

Reason: To ensure the protection of species/habitat protected by the Wildlife and Countryside Act 1981 (as Amended) and in the interests of biodiversity and to enhance habitat opportunities for species of conservation concern/protected species and to minimise/mitigate the potential impacts upon protected species resultant from the development.

Reason: To ensure the provision of adequate car parking on site and in the interests of highway safety in accordance with Policies DMG1 and DMG3 of the Ribble Valley Core Strategy.

6. Before the widened parking area is used for vehicular purposes, it shall be appropriately paved in tarmacadam, concrete, block pavements, or other hard material, with details required to be submitted to and approved in writing by the Local Planning Authority, prior to their use.

Reason: To prevent loose surface material from being carried on to the public highway thus causing a potential source of danger to road users in accordance with Policies DMG1 and DMG3 of the Ribble Valley Core Strategy.

Notes

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision> . If it is a householder appeal it can be made online at: <https://www.gov.uk/appeal-householder-planning-decision> . If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
