To Kathryn Hughes

Ref the above planning application we would like to give our support to the revised scheme
We feel it would be a positive contribution to the area making use of an unused piece of redundant
land.

Application No. 3/2024/0076

To whom it may concern.

We refer to the above planning application which we understand has been received by yourselves for a parcel of unused land on Hammond Drive Read to be developed for a domestic dwelling there. The parcel forms part of this complex in which we have  and as we are satisfied that development would not be detrimental to the existing we therefore submit our support for the application.
