Description of Proposed Works
Please describe the proposed works
'Weatherheads' barn conversion was completed around 2002 for the previous owner with, as I understand, no further external alterations permitted. This proposal is for the installation of a roof-integrated Solar PV System only on the REAR roof of the house which is not be visible from Catlow Road. A remote Google Earth survey by the first registered installer has illustrated 9 panels in portrait format. A second installer's GE survey illustrates how 9 panels or perhaps more of smaller dimensions might fit on the roof. An on-site survey, yet to be conducted by either installer if planning permission is successful, may yet recommend a different number of panels / format and possibly from an alternative solar panel brand other than JinkoSolar to optimise the REAR roof space for solar generation. A roof-integrated Solar PV system is only being considered to preserve the pleasing aesthetics of the barn conversion and resistance to weather elements.
Has the work already been started without consent? ○ Yes ○ No
Materials
Does the proposed development require any materials to be used externally? ⊘ Yes ○ No
Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)
Type: Roof
Existing materials and finishes: Grey Slates
Proposed materials and finishes: Subject to on-site survey and availability if / when planning permission is successful, grey slates to be replaced by Jinko brand solar panels, JKM-430N-54HL4 Tiger Neo N-Type. All-Black Modules, Anti-Reflection Coating, Tempered Glass.
Are you supplying additional information on submitted plans, drawings or a design and access statement?

Lakes Solar Ltd Quotation 1 : 9 panels in in-line portrait format superimposed onto a Google Earth house picture. Go Green Solar Group Quotation 2 : 9 panels (5 in the first group to the left of the chimney stack/velux window and 4 in the second group to the right superimposed onto to a Google Earth house picture).
Trees and Hedges Are there any trees or hedges on the property or on adjoining properties which are within falling distance of the proposed development? ○ Yes ② No Will any trees or hedges need to be removed or pruned in order to carry out your proposal? ○ Yes ② No
Pedestrian and Vehicle Access, Roads and Rights of Way Is a new or altered vehicle access proposed to or from the public highway? ○ Yes ② No Is a new or altered pedestrian access proposed to or from the public highway? ○ Yes ② No Do the proposals require any diversions, extinguishment and/or creation of public rights of way? ○ Yes ③ No
Parking Will the proposed works affect existing car parking arrangements? ○ Yes ⊙ No
Biodiversity net gain Householder developments are currently exempt from biodiversity net gain requirements. However, this exemption still needs to be confirmed by the applicant or agent when making a householder planning permission application. I/we confirm that the proposed development, if granted permission, would be exempt from the general biodiversity gain condition. Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'general biodiversity gain condition'. However, the 'general biodiversity gain condition' does not apply in relation to planning permission for a development which is the subject of a householder application, within the meaning of Article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

If Yes, please state references for the plans, drawings and/or design and access statement

Site Visit Can the site be seen from a public road, public footpath, bridleway or other public land? Yes No If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
