Comments: We have noticed that on the existing plan view of the house, the window pictured on the north side is incorrectly positioned closer to the front rather than the back of the house. This concerns us as to the accuracy of other aspects of the current and proposed plans.

We are concerned about the impact of loss of light [REDACTED] due to the [REDACTED] of the 2 storey and 1 storey extensions, especially as the 1 storey extension is planned to go much further back, and consequently closer, than we thought.

We would request that the window on the proposed utility room is not transparent as we would feel [REDACTED]

We would also hope that any work, so [REDACTED]
[REDACTED] and this proposed extension.
