Subject: Creating stone track that affects FP0309013

Good morning Sarah, thanks for taking me up to show me where you intend to create a stone track.

This will affect part, but not all of the above path.

I understand you intend to use 40mm to dust to top off the track.

This would serve to improve the footpath , as this looks like it can be wet and boggy in winter times.

The Public Rights Of Way are happy for you to do this.

Kind Regards
Geoff
