Details of the pre-application advice received

During the recently approved planning application 3/2023/0814, elements of the work were within the permitted development limits of the property. Therefore it was advised to omit the works from the above planning application, and submit a 'Lawful Development - Proposed Use' application to cover these elements of the development.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
