Hi david, thanks for the phone call today. Just had a look at the tree application are you referring to section 3 for the tree location description part that i need to fill in?

Thanks Nathan,Nb Treeworks

Hi david, as discussed other day on the phone i have a attached photo below showing the work proposed for the sycamore tree in whalley.

The tree on the right has previously been crown raised in the past, on the left is the multi stem sycamore the customer is requesting work to be carried out on to be crown raised the same as its neighbouring tree, around 8-10 branches to be removed.

Nathan,

Sorry to be a nuisance but our admin team will not register the application with out a plan.

Dave
