Dear Richard Roe

Thank you for submitting site registration form RC042 - 9049A, received on 10/12/2023 for Hillside.

Based on the information you have provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class licence WML-CL21.

Please find attached a licence return form which you must complete and return to Natural England [REDACTED] within 4 weeks of completion of licensable works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than **28th May 2024**.

Confirmation of Natural England charge

In our acknowledgement email sent to you on 11/12/2023, we confirmed that your site registration will be **charged at a fixed price of £130**. Natural England will send an invoice to the person named on the charged screening form within 10 working days.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below.

Kind Regards,

Victoria Payne
