**Address of Development:** Land to south-west of Barrow and west of Whalley Road Barrow BB7 9XW

**Comments:** Yet another new residential development for Barrow. And of a really significant size at 233 proposed dwellings. Barrow has suffered more than its fair share of new residential developments over recent years, the 502 dwellings further to its centre is still being built. Barrow population and housing has exploded in recent years. Clitheroe Road is now so busy with traffic as is Clitheroe centre you cannot get or park anywhere. It really is being spoilt. Whalley is chaos to drive through also. A balance has to be struck! Surely Barrow which was once a nice small village cannot take any more houses? I hope this is taken into serious consideration when reviewing this application. Enough has to be is enough!

**Address of Development:** Barrow

**Comments:** There is insufficient infrastructure for yet more houses to be built here. The roads are not fit for the current population. There are no facilities e.g. doctors, dentists available. All of the countryside is being destroyed for greed and profit. It's a disgrace!

**Comments:** Please, please, please don't let any more houses be built in Barrow. We [REDACTED] house [REDACTED] and it was a lovely small village. You have allowed developments which has made our village a monstrosity beyond recognition. We have to say enough is enough. WE DON'T NEED MORE HOUSES!!!
