Dear Mr Forshaw,

## TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) ORDER 2015 SCHEDULE 2 PART 6

Proposal: Prior approval of a roof over an existing agricultural block waste building.

I refer to your notification made under Schedule 2, Part 6 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended 2018) to determine whether full details are required for the above proposal.

On the basis of the information you have provided, I wish to inform you that the Council have resolved that Prior Approval of details is NOT REQUIRED prior to the commencement of any development. Please note that in order to comply with the legislation, the development must be carried out in accordance with the following conditions:

1. Unless otherwise agreed in writing, the development MUST be carried out in accordance with the details submitted to the Local Planning Authority, in particular as contained within:
  - Application Form
  - Schedule of Land
  - Proposed Location Plan (dwg no. 00 A received 2<sup>nd</sup> May 2024)
  - Proposed Site Plan (dwg no. 08 A received 1<sup>st</sup> May 2024)
  - Proposed Floor Plan (dwg no. 09)
  - Proposed Floor Plan (dwg no. 10)
  - Proposed Elevations (dwg no. 15)
2. The development must be carried out within a period of 5 years from the date on which the Council received your Application for Determination which was 12<sup>th</sup> March 2024.
3. The developer is to notify the Local Planning Authority, in writing within 7 days of the date on which the development was substantially completed.
4. Where the use of the building for the purposes of agriculture within the unit permanently ceases within 10 years of the date on which the development was substantially completed; and planning permission has not been granted on an application, or has not been deemed to be granted under Part 3 of the Act, for development for purposes other than agriculture, within 3 years from the date on which the use of the building for the purposes of agriculture within the unit permanently ceased, then, unless the local planning authority have otherwise agreed in writing, the building must be removed from the land and the land must, so far as is practicable, be restored to its condition before the development took place, or to such condition as may have been agreed in writing between the local planning authority and the developer.

Your proposal may also require consent under the Building Regulations 1985, and I would advise you to contact the Borough's Building Control section, unless you have already done so.

Please contact Lucy Walker if you require any further information.

Yours faithfully

*Nicola Hopkins*
