Hi Stephen,

Sorry all of your emails went into my junk for some reason.

I have copied our responses below, let me know if you need anything else.

- Maximum number of employees on site at any one time.

3, however one of our staff members lives very close by and she walks to work.

- Maximum number of customers on site at any one time.

7

- Maximum number of customers expected at group sessions.

7, however we rarely get a full class. And some of our regular members live very close by and they walk. Our busiest times are also outside of working hours (9-5) this is when the communal parking is least occupied.

- Details regarding how the business will operate. For example, will it be strictly one staff member and one customer gym and recover sessions. Or will it operate as a mixture i.e. one to one and independent session

It is a mixture of 1:1, group training and independent sessions throughout the day.

Thanks Stephen.
