## Hello Ben

I am writing in regards to the application 3/2024/0230 by David Schofield at Ashcroft Mill Lane.

As a **least transport**, I believe that the proposed stainless steel roof is not sympathetic and risks urbanising the locality.

It would be far more sympathetic in a slate finish as the surrounding buildings are all of slate and flag roofs.

A stainless steel roof will be an eyesore in an AONB.

Regards,
