("the Developer")

WHEREAS:

- (1) The Developer has submitted plans to United Utilities Water Limited ("the Company") for the proposed adoption of sewers at the above development pursuant to an agreement under s.104 of the Water Industry Act 1991 ("the Agreement");
- (2) The plans have been accepted by or on behalf of the Company;
- (3) Construction of the sewers would not ordinarily be permitted to commence until the Agreement has been legally completed; and
- (1) The Developer has made payment to the Company of the s104 fee in the sum of ██████████ (please refer to the below invoice for more detail).
- (2) PLEASE TAKE NOTICE that the Developer hereby requests the Company to grant permission for the construction of the sewers in accordance with the plans referred to at (1) above before the legal completion of the Agreement on the conditions set out below:-

The Developer by a person so authorised to do so hereby undertakes:

- (a) to enter into the agreement as soon as reasonably practicable from the date hereof;
- (b) to grant any on-site Deed of Grant PRIOR to plot sales in respect of any on-site easement(s) and to procure the execution of any off-site Deed of Grant required by the Company in connection with any length of prospectively adoptable sewer which is not to be constructed within adoptable highways;
- (c) to afford access to the development site by duly authorised representatives of the Company for purposes of inspecting the works from the date hereof;
- (d) to stop off the connection to the existing public sewer until the Agreement has been legally completed; and
- (e) not to connect to any existing public sewer until an application to connect has been approved by the Company in respect of any proposed connection point.

PLEASE NOTE that non-compliance in respect of any of the points (a)-(e) above may result in the refusal of the Company to enter into the s104 Agreement and the refusal of the Company at its absolute discretion to adopt the sewers as public sewers.
