

PHOTO 1

Last week I mentioned that there's two Oak trees that are owned/managed by EMS that have large low lying branches over our land that need some pruning maintenance. They are TPO'd and we need to apply to the tree officer for permission. I have attached the tree report. The trees are T2 and T3 (Oak Trees). I have also attached a tree works application form we'd need to complete. Please can you confirm it is ok using your name/details as the owner contact if the tree officer needed to contact you?

The trees are in the photographs below.

low lying branches
to be trimmed
